- Contribute to information provided to students by the University, College and Programme
- Assume responsibility within the Course for ensuring the maintenance of standards in accordance with the agreed UAL student charter.
- Ensure effective liaison with, and organisation of student representatives for the course.
- Assume responsibility within the course for responding effectively to student complaints.

Student Progression and Achievement

- In liaison with the Programme Lead Administrator, ensure that student records are maintained which are current, accurate and constructive, including:
Entry profiles
Attendance records
Achievement and progression
Support needs
- Be responsible for and, where appropriate, lead the recruitment and selection processes applicable to the Course, ensuring the correct delivery of the University Admissions Policy

Management

- Contribute to the leadership and management of the Programme as an active member of the Programme Management Team
- Work with academic, administrative, managerial and technical support colleagues to ensure quality, consistency and clarity of course delivery, including:
 - Deans and Associate Deans as appropriate
 - The Programme Director and Programme Quality Coordinator to ensure the delivery of the courses within the Programme
 - The Programme Lead Administrator to ensure the effective and efficient utilisation of financial, human, technical and accommodation resources
 - The Technical Coordinator to ensure the effective and efficient utilisation of technical resources.
- Recruit, lead, manage and support the academic staff responsible for the delivery of the Course, setting, promoting and maintaining appropriate educational and professional standards of good practice in all aspects of course organisation, administration and delivery, through:
 - Effective induction and briefing and, where appropriate, the University's probation procedures
 - Timely provision of teaching schedules
 - Timely communication in a form appropriate to the subject and to the audience
 - Supportive direction
 - Effective use of the University's Planning, Review and Appraisal scheme and staff development opportunities
- In consultation with HR and in liaison with the Programme Director, be responsible for the performance management of academic staff within the Course as required.

- In consultation with academic, administrative, managerial and technical support colleagues, ensure quality, consistency and clarity of course delivery.
- Work with colleagues across the College to ensure the highest possible standards of student experience in terms of:
 - Course promotion (provision of material, contribution to open days and other recruitment activities on – and off-site)
 - Student progression
 - Student recruitment
 - Student induction
 - Learning support
 - Disability support
- Produce reports and management information as required
- Undertake health and safety duties and responsibilities appropriate to the role and in accordance with University policies and procedure.

Entrepreneurship and Enterprise

- Promote a culture of enterprise within the Course Team and amongst the student community
- In liaison with the Programme Director, the Director of Innovation, Business, and External Relations, and the course team, develop business-related, sponsorship and income generating opportunities and activities connected with the course/subject and research activities, including the development of full cost courses and consultancy services.
- Contribute to the income generating activities of the University and College, including the development of and active participation in fundraising activities

Professional

- Establish and maintain appropriate dialogues and relationships with the subject community (academic, institutional, community, government and commercial) and its audiences, nationally and internationally, continually updating knowledge of national academic developments, subject and skills, and relevant industrial and technological developments for the benefit of the course, colleagues and students.
- Undertake research and/or professional practice to maintain your subject currency as part of your own continuing professional development to ensure you maintain your position as a leader in your field, actively promoting and contributing to the professional and research profile of the Programme, as an individual and through research groups and / or consultancy projects
- Support and contribute to the Course, Programme, School, College and University's external profile
- Contribute positively to the development of the broader academic and cultural direction of the College as required

General

- To perform such duties consistent with your role as may from time to time be assigned to you anywhere within the University

- To work in accordance with the University's Equal Opportunities Policy and the Staff Charter, promoting equality and diversity in your work
- To undertake continuous personal and professional development, and to support it for any staff you manage through effective use of the University's Planning, Review and Appraisal scheme and staff development opportunities
- To make full use of all information and communication technologies in adherence to data protection policies to meet the requirements of the role and to promote organisational effectiveness
- To conduct all financial matters associated with the role in accordance with the University's policies and procedures, as laid down in the Financial Regulations

Key Working Relationships:
