- To lead the organisation of assessment ensuring the rigour and parity of the process
- To provide both academic and pastoral support to students, monitoring progress and attendance, and maintaining appropriate records.

#### *Professional*

- To initiate or engage in pedagogic inquiry and teaching development as required with the specific focus of improving student engagement, experience and progression.
- To participate in the engagement of students in feedback processes, and in consultation with the course team and course leader, respond to the issues raised through this engagement.
- To devise and organise activities for the course team that contribute to the strategic development of the course design and pedagogy
- In consultation with the Course Leader, to liaise with other staff to enhance and extend the educational and creative links between the Course and other courses across the Programme, College and University.
- To undertake scholarly activity (including research, knowledge exchange or teaching) relevant to the research methods subject.
- To contribute to the devising and delivery of activities (including income generation) which will benefit students' educational experience and graduate outcomes.

#### *Quality, Management and Enhancement*

- To contribute to strategic planning in relation to the course/programme in areas such as student recruitment, the deployment of resources, research and knowledge exchange
- To lead curriculum design developments in the context of revalidation, in consultation with the course leaders, in order to further strategic objectives at course and college level
- To contribute to the monitoring of the quality of teaching and learning through continuous course monitoring and to contribute to quality, management and enhancement activities across the School, College and University.
- To be a member of the Course Committee of the Course and of such other committees, including other course committees and examination boards, as the Dean of School or Head of College require.
- To represent the subject at college and university levels and externally, including acting as a consultant to other courses

#### *General*

- To perform such duties consistent with your role as may from time to time be assigned to you anywhere within the University
- To undertake health and safety duties and responsibilities appropriate to the role
- To work in accordance with the University's Equal Opportunities Policy and the Staff Charter, promoting equality and diversity in your work
- To undertake continuous personal and professional development, and to support it for any staff you manage through effective use of the University's Planning, Review and Appraisal scheme and staff development opportunities
- To make full use of all information and communication technologies to meet the requirements of the role and to promote organisational effectiveness
- To conduct all financial matters associated with the role in accordance with the University's policies and procedures, as laid down in the Financial Regulations
- To personally contribute towards reducing the university's impact on the environment and support actions associated with the UAL Sustainability Manifesto (2016 – 2022).
