

## College Indicative Preference Form for Digital Learning Coordinator (Grade 4)

The three Digital Learning Coordinator (Grade 4) roles will each be located at one of UALs distinct colleges. Whilst you are not applying for a distinct college position it is helpful in the process for us to know your preference of location should you be successful in being appointed. We will use this information as part of the recruitment process to position the roles within our colleges. However, please note that your indication does not guarantee a particular college should you be appointed to one of the roles.

Please number in order of preference, with number 1 being your most preferred option.

If you have an equal preference please use the number more than once. For example, if you have one preference and three equally preferred second choices, mark your first choice 1 and the others 2. If you have no preference, mark all 1.

<b>College</b>	<b>Preference</b>
Camberwell, Chelsea, Wimbledon Colleges	
Central Saint Martins	
London College of Communication
