Ensure effective liaison with, and organisation of student representatives for the course.

### **Student Progression and Achievement**

In liaison with the Academic Administration Programme Manager, ensure that student records are maintained which are current, accurate and constructive.

Be responsible for and, where appropriate, lead the recruitment and selection processes applicable to the Course, ensuring the correct delivery of the University Admissions Policy.

### **Managerial**

Contribute to the leadership and management of the Programme by working with academic, administrative, managerial and technical colleagues to ensure quality, consistency and clarity of course delivery.

Recruit, lead, manage and support the academic staff responsible for the delivery of the Course, setting, promoting and maintaining appropriate educational and professional standards of good practice in all aspects of course organisation, administration and delivery.

Work with colleagues across the College to ensure the highest possible standards of student experience in terms of:

- Course promotion (provision of material, contribution to open days and other recruitment activities on – and off-site)
- Student progression
- Student recruitment
- Student induction
- Learning support
- Disability support (only in respect of signposting to students and staff how appropriate professional support can be accessed)

Produce reports and management information as required.

### **Entrepreneurship and Enterprise**

Promote a culture of enterprise within the Programme and amongst the student and staff community.

Operate in a collegiate manner in liaising with appropriate colleagues (i.e. Programme Directors, Enterprise Units & Development Team) in order to contribute to the income generating and related sponsorship activities of the University and College in areas that are directly related to their Academic Programme and areas of specialism.

### **Professional**

Establish and maintain appropriate dialogues and relationships with the subject community (academic, governmental and commercial) and its audiences, nationally and internationally, continually updating knowledge of national academic developments, subject and skills, and relevant industrial and technological developments for the benefit of the course, colleagues and students.

Undertake research and/or professional practice to maintain your subject currency as part of own continuing professional development to ensure you maintain your position as a leader in your field, actively promoting and contributing to the professional and research profile of the Programme, as an individual and through research groups and / or consultancy projects.

Support and contribute to the Course, Programme, School, College and University's external profile.

Make a constructive contribution to the development of the broader academic and cultural direction of the College as required.

Familiar with debates and research relating to decolonising the curriculum and awarding gaps within the HE Sector.

### **General**

- To perform such duties consistent with your role as may from time to time be assigned to you anywhere within the University.
- To undertake health and safety duties and responsibilities appropriate to the role.
- To work in accordance with the University's Staff Charter and Dignity at Work Policy, promoting equality, diversity and inclusion in your work.
- To undertake continuous personal and professional development, and to support it for any staff you manage through effective use of the University's Planning, Review and Appraisal scheme and staff development opportunities.
- To make full use of all information and communication technologies to meet the requirements of the role and to promote organisational effectiveness.
- To conduct all financial matters associated with the role in accordance with the

University's policies and procedures, as laid down in the Financial Regulations.  
•To personally contribute towards reducing the university's impact on the environment and support actions associated with the UAL Sustainability Manifesto (2016 – 2022).
