Job Title: Specialist Technician (L&T) Performance Design Technologies

Accountable to: Studio Manager Performance Design & Technologies

Contract Length: Permanent

Hours per week/FTE: 17.5 .5

Weeks per year: 52

Salary: £37,532 - £45,865 pa pro rata

Grade: 4

College/Service: Chelsea Camberwell Wimbledon/Technical Resources

Location: Wimbledon Merton Hall Road

Purpose of Role:

To be responsible to the Performance programme.

Providing technical expertise, guidance, and advice to contribute to the delivery of learning activities within the Theatre Design Studios and related technical areas. Emphasis is on supporting Design, Drawing and Model making for Theatre using a wide range of Analogue and Digital skills.

Actively engaging with technical teaching and the delivery of relevant technical expertise to develop & support the expressive/creative intentions of learning activities within the Theatre design Studios including giving feedback to students and contributing to student informal formative assessments, with reference to appropriate learning outcomes of the Subject ethos or Course narrative

Role modelling behaviours that underpins actively promoting a positive experience for students and staff

Duties and Responsibilities

- To contribute to planning, development and delivery of learning activities supporting student learning & research, liaising with Course Leaders and academic staff informally and formally for this purpose
- To supervise learning activities, providing expert guidance in the Theatre design studios and related technical areas to enable students to identify and learn appropriate design, technologies and processes and to use materials, resources and equipment for experimentation & research and to meet their learning outcomes
- To participate in a culture of mediated & facilitated cross Programme engagement
- To generate appropriate learning materials and information as required
- To undertake collective staff development with academic colleagues
- To participate at relevant Course level Committees and Forums ensuring that technical resources deliver a *good student experience* to meet Key Performance Indicators (for example outcomes from student surveys)
- To contribute to safe working standards for both staff and students by creating a culture of awareness of technical resources & studio principles
- To liaise with the Studio Managers and regular suppliers & manufactures when sourcing materials and placing orders. Ensuring that accurate records of transactions and purchase of equipment and consumables budgets are up-to-date and accessible
- To perform such duties consistent with your role as may from time to time be assigned to you anywhere within the University
- To undertake health and safety duties and responsibilities appropriate to the role

- To work in accordance with the University's Equal Opportunities Policy and the Staff Charter, promoting equality and diversity in your work
- To personally contribute towards reducing the university's impact on the environment and support actions associated with the UAL Sustainability Manifesto (2016 – 2022)
- To undertake continuous personal and professional development, and to support it for any staff you manage through effective use of the University's Planning, Review and Appraisal scheme and staff development opportunities
- To make full use of all information and communication technologies in adherence to data protection policies to meet the requirements of the role and to promote organisational effectiveness
- To conduct all financial matters associated with the role in accordance with the University's policies and procedures, as laid down in the Financial Regulations

Key Working Relationships: Managers and other staff, and external partners, suppliers etc.; with whom regular contact is required.

- Studio Managers
- Academic & Technical Staff
- Finance
- Suppliers

Specific Management Responsibilities

Budgets: Devolved Consumables Budgets as appropriate

Staff: None but some day to day co- supervision of Alumni Fellows required
