

JOB DESCRIPTION		
Job title: Innovation Lead		Accountable to: Dean of the Creative Computing Institute
Contract length: Permanent		Hours per week: 35 Weeks per year: 52
Salary: £38,694 - £45,423 per annum		Grade: 5
Service: Research Management and Administration (RMA) / Academic Enterprise (AE)		Location: CCI Peckham Road
Who are Research Management and Administration (RMA) / Academic Enterprise (AE)? RMA and AE are the central services for the support and delivery of research and knowledge exchange activities across University of the Arts London (UAL).		
What is the purpose of the role? The post-holder's primary purpose is to support the Knowledge Exchange strategy of the UAL Creative Computing Institute across a range of objectives as follows: <ul style="list-style-type: none">Firmly establish CCI as a centre of excellence for Knowledge Exchange in creative technologiesDeepen CCI’s connections with external partnersBroker and support partnerships between industry, local community, CCI and other UAL colleges that enable knowledge exchange, create social impact and generate revenueCreate transformative opportunities for our students and graduates across a range of related industry sectors, both pedagogic and economicAmplify the external impact of CCI’s and UAL’s expertise and research in creative technology, both reputationally and economicallyLead the creative technology sector in the development of policy and standardsSupport the growth and innovation of UK businesses that can make use of creative technology and technologists as part of their own strategyCreate learning experiences and CPD that deliver transferable creative technology skills for a large number of carefully targeted learners beyond UAL Further, the post-holder will provide comprehensive project management support to academic staff across a portfolio of research, innovation, and knowledge exchange projects – ensuring that all projects are delivered to a high standard and in compliance with funder regulations and University policies, as well as maximising the value of these projects to the University – in terms of research outcomes, outputs, dissemination, impact and follow-on activities.		
Duties and Responsibilities <u>Management and Planning</u> <ul style="list-style-type: none">To work with CCI technology experts and UAL central departments including legal and finance to create and deliver technology innovation projects through schemes including InnovateUK funding, Knowledge Transfer Partnerships, consultancy and contract researchTo coordinate the development of new creative technologies, solutions and services, licensing IP, and consultancyWork closely with CCI Strategic Partnership Manager and Partnerships Lead		

- To provide comprehensive support to research active and teaching staff across UAL CCI in delivering a portfolio of high quality research, innovation, and knowledge exchange projects
- To update UAL systems and provide reports as required. Systems include those for finance (Unit4 Agresso Business World - ABW) and research information (Symplectic Elements).
- To support the development and design phases of such projects, in collaboration with other staff members
- To provide advice and support to academic staff in maximising the value of these projects to UAL, through both the project planning and implementation phases – helping academic staff to identify ways of increasing research outcomes, outputs, dissemination, impact, and follow-on activities. To also ensure this is done in collaboration with project partners, to maximise mutual benefits.
- To ensure all such projects are delivered in compliance with any relevant external regulations or agreements (e.g. ERDF, H2020, E+, UK Research Councils, Innovate UK and European Commission grants/tenders) as well as in line with all applicable UAL policies (HR, Finance, Procurement, etc.); and to ensure that all staff involved in projects are fully briefed, supported and aware of their responsibilities in meeting these regulations.
- To lead on the design of effective project governance structures and processes, and the introduction and maintenance of reporting and monitoring strategies that meet both internal and external requirements (including regular re-forecasting of project budgets).
- To ensure that all contracts relating to such projects are efficiently and effectively negotiated and finalised before the relevant activity begins, as well as ensuring such contracts are appropriately updated, in line with any internal or external governing procedures or protocols (e.g. UAL's Contracts Protocol).
- To act as the first point of contact for the project both internally and for external stakeholders.
- To support (as necessary) the preparation of specified research, innovation, and knowledge exchange funding applications, working with academic staff to develop funding applications for evaluation and submission by the University.

Communication

- To liaise and communicate effectively with all levels of UAL staff, external stakeholders and audiences relevant to the delivery and furthering of project-related objectives.
- To provide a regular, consistent and useful summary of project activity, progress and issues to senior RMA and AE staff, ensuring any issues are promptly identified and resolved.
- To liaise with the relevant RMA, College or UAL Communications Teams in delivering a range of outward facing project events, online content and other communications materials, ensuring the international profiling of projects, and the effective dissemination of project outcomes to relevant audiences.
- To ensure any project-related web sites are set up appropriately, through liaison with UAL's Communication and Legal teams, and in line with relevant digital strategies and protocols.
- To design and deliver workshops on all aspects of research project management to all UAL Colleges.
- To undertake all aspects of committee servicing including setting agendas, producing papers, minute taking, briefing and providing advice to committee members, and following up actions.

General

- To perform such duties consistent with your role as from time to time may be assigned to you anywhere within the University.
- To undertake health and safety duties and responsibilities appropriate to the role.

- To work in accordance with the University's Equal Opportunities Policy and the Staff Charter, promoting equality and diversity in your work.
- To personally contribute towards reducing the University's impact on the environment and support actions associated with the UAL Sustainability Manifesto (2016 – 2022).
- To undertake continuous personal and professional development, and to support it for any staff you manage through effective use of the University's Planning, Review and Appraisal scheme and staff development opportunities.
- To make full use of all information and communication technologies in adherence to data protection policies to meet the requirements of the role and to promote organisational effectiveness.
- To conduct all financial matters associated with the role accordance to the University's policies and procedures, as laid down in the Financial Regulations.
